What the students have been up to.

Term 3 has started off with a new cohort of students, we have had a fun first week. Students have started working on their silhouette art project and they are looking amazing so far! They cooked spaghetti for lunch and Bohdi shared his Milo Mug Cake recipe. Students will now work on researching their own recipe to share and cook with the class each Thursday. This builds on teamwork and life skills and gives students the opportunity to try new foods and share their favourite recipe with the staff and students.

Bohdi's Milo Mug Cake Recipe

1 mug per person

4 Tablespoons of self-raising flour

2 teaspoons of milo

1 egg

1 teaspoon of sugar

tiny bit of milk

Mix all ingredients together and put in the microwave for 1 minute.

This week students will start reading the book *My Side of the Mountain* for their novel study with Brett. If you haven't read the book before it's a book about grit, independence, resilience, finding yourself and what makes you happy. All the things Bridge promote and teach the students while in our program.

Meet Caitlin Welfare

This term we welcome Caitlin Welfare to the BRIDGE team. Caitlin will be taking over Dave Kenny's role as classroom teacher on Wednesdays and Thursdays for the next 6 weeks while Dave is off on holidays in Bali. We are all jealous of him but excited to have Caitlin join our team.

Dates to Remember

National Science Week: 9th-17th August

Book Week: 16th-23rd August

Support Staff (SSO) week: 18th-22nd August

Wear it Purple Day: 29th August

*"A bad day doesn't cancel out a good life. Keep going."
