

Country Education Foundation Australia is a community-driven organisation that provides funds to support further education and training after school including:

- Apprenticeships
- University Degrees
- Diplomas and Certificates
- TAFE Courses
- Career-based Training Courses

WHAT FUNDING IS AVAILABLE?

CEF plays a support role in helping you access further education and training. We allocate grants to reimburse the costs associated with further education like tools, textbooks, technology, accommodation and travel. We also award scholarships for specific areas of interest. Depending on your need and the costs of pursuing your chosen course or apprenticeship, you could receive a local grant of around \$1,000 - \$5,000 in one year.

WHO CAN APPLY?

CEF IS OPEN TO YOU IF:

- You are aged 16-25 years.
- You have a demonstrated need, including financial and / or circumstance.
- You have attended school in Port Lincoln.
- You can demonstrate commitment to completing your apprenticeship, further study or training and achieving your career goals and, for university students, a scholarship of up to \$30,000 over three years.
